** Sale is not applicable to travel fees which may include: gas, parking, lodging, flight, rental car, a meal stipend.

** Sale is not applicable to additional work due to adverse conditions on surface that requires extaneous labor will be charged extra, by the hour, at a rate of \$100.00/hour, and sometimes cannot be determined until after the job has begun.

PAYMENT TERMS:

1. Design fee of \$200 due prior to design rendering process.
2. Payment for mural work, not including design fee, is divided into installments. ** 2 installments for small, 3 for large
 - The first payment - a non-refundable deposit - is due two weeks prior to start date of painting, allowing time to order supplies, or rental equipment, and scheduling. ** small mural deposit = 50%, large mural deposit = 30%
 - The second payment is due at a mutually agreed upon midpoint. ** small murals = day of completion
 - The third and final payment (** large murals) is due on day of completion which will be clearly communicated as work on the mural progresses. ** For larger external murals this ranges between 30 to 60 days after start date depending on weather delays, holidays, complexity of design, schedule conflicts, or other factors. Typically it is 30 days or less in ideal conditions.
